Welcome from the Chairwoman

Dear visitor,

Personally, and on behalf of the MPs that form the Committee on Culture, Communication, Youth and Sport, I am very pleased to welcome you to the Committee's webpage.

This includes Committee meetings, the consideration of legislative initiatives, the monitoring of Portugal's participation in the European Union, the petition procedure, and holding hearings, audiences and events.

Naturally, any suggestions or opinions you would like to send us are welcome. You can send them using the support office's contact details that can be found on the webpage.

We wish you a pleasant visit to our webpage and hope that it will help bring citizens' closer to their representatives. We will seek to provide all the relevant information relating to the Committee's work and we aim to open up spaces for participation and collecting contributions on the initiatives being considered by the Committee.
